

# account if I am a Brand Affiliate?

Last Modified on 01/12/2022 11:00 pm MST

To update your phone number, address, or email address, simply go online to nuskin.com. Choose your country, sign in, and then click on your account name. In the drop down box click on **Profile**. There you will be able to update your **Account Information**, **Communication Preferences**, **Shipping Address**, **Payment methods** and also view your **Order History** and **Favourites**.
