

In order to maintain your Brand Representative title, you will need to meet the monthly Maintenance Requirement of 4 Building Blocks. 4 Building Blocks is equivalent to 2000 GSV. By meeting the maintenance requirement, you will be eligible to earn the Building Bonus on incomplete Building Blocks!

If you are unable to meet Maintenance, don't worry! As a Brand Representative, you can now earn and use Flex Blocks to help maintain your title.

Your next step is to continue building your business. As you do so, you can earn more commissions including both the Building Bonus and Leading Bonus.
