If you have not received your tracking confirmation email from the shipping courier, you can find the tracking information in your **Order History** when you are logged in.

To locate Order History, [click here](#). The tracking number shown in your Order History is also a clickable link to the tracking history on the courier website. Our Support Centre can also assist you in the tracking of your order. Their number is **1300 687 546 or 0800 687 546 if you are in New Zealand**.
