

ageLOC LumiSpa iO inputs smart skin care and outputs the skin of your dreams. How? Input innovative skin renewal and deep cleansing with intelligent coaching, personalised regimens, IoT technology—and more—through the Nu Skin Vera™ app. Output gorgeous, glowing, selfie ready skin—all day, every day. In just two minutes, twice a day, you'll experience your best skin ever. You'll love your glow-boosting, instantly smoothed look—after just one use—the seven clinically proven skin benefits that amplify over time, and smart technology that helps you personalise your routine. It's super intuitive. Super effective. Super-powered.
